

# THE NATIONAL PARKS, SANCTUARIES AND RESERVES

## REGULATIONS, 1939

(1939 L.R.O. No. 23)

In exercise of the powers conferred by Section 24 of the Preservation of Wild Animals Ordinance, 1935 the Civil Secretary with the consent of the Governor General in Council hereby makes the following regulations:—

1. These regulations may be cited as the National Parks, Sanctuaries and Reserves Regulations, 1939 and shall come into force on publication in the Gazette. Title and commencement
2. Cancellation of previous regulations. Cancellation
3. The areas set out in Schedule I to these regulations are hereby declared to be National Parks within the meaning of Section 12A of the Ordinance. National Parks
4. Save in pursuance of subsection (2) (b) of Section 12A of the Ordinance no such firearms or rifle shall be used in a National Park except for the purpose of self-defence. Use of firearms in National Parks
5. When any animal has been shot or fired at in self-defence the fact shall immediately be reported to the Minister of Animal Resources in writing with a full account of the circumstances. Shooting or firing at animals to be reported to Minister of Animal Resources
6. Save with the permission in writing of the Minister of Interior no person shall carry on in a National Park any undertaking connected with forestry, agriculture or mining, any excavations or prospecting, drilling, levelling of the ground or construction or any work involving the alteration or configuration of the soil or vegetation. Prohibition of forestry, agriculture and mining, etc. in a National Park
7. Save for transport animals in use by Government officials or those provided under Government arrangements for persons entering the area with permits from the Minister of Animal Resources no person shall introduce into a National park any fauna whether indigenous or imported, domesticated or wild. Introduction of fauna into a National Park prohibited

Permit holders to conform to directions of Minister of Animal Resources

8. Every holder of a permit shall conform to such direction as may from time to time be given by the Minister of Animal Resources, as to the manner, place and time in and at which he hunts, kills or captures any animal or collects the eggs of any bird.

Power of Minister of Animal Resources to make rules

9. The Minister of Animal Resources may make rules not inconsistent with the Ordinance or these regulations to be observed by persons whilst within the boundaries of a National Park as to all or any of the following matters :—

- (a) Establishing rest camps and halting place prohibiting camping, sleeping or halting elsewhere than at such rest camps and halting places and regulating the movements of persons to and from such rest camps and halting places.
- (b) Regulating the hours during and the manner in which persons may travel ; and
- (c) for the prevention of damage or disturbance to fauna or flora.

Fees

10. Repealed

Sanctuaries

11. The areas set out in Schedule II to these regulations are hereby declared to be sanctuaries within the meaning of Section 13 of the Ordinance.

Reserves

12. The areas set out in column 1 of Schedule III to these regulations are hereby declared to be reserves within the meaning of Section 14 of the Ordinance and the hunting of the animals set out in column 2 of the Schedule in respect of each reserve is prohibited in such reserve save under a special permit issued in accordance with Section 14 of the Ordinance.

Penalties

13. Any person who commits a breach of the provisions of these regulations or of any rules thereunder or abets the commission of such an offence shall be liable to a fine not exceeding £s. 50 or to imprisonment for a term not exceeding three months or to both such fine and imprisonment.

## SCHEDULE I.
